

## Dear Parent:

Thank you for requesting a scholarship application for our summer camping program. Through the generosity of others, we are able to assist a limited number of families in providing a rewarding Christian camping experience for their children. We are hopeful that we will be able to provide you with the necessary help. In order to receive the maximum amount of assistance, your scholarship application must be submitted by the early-bird registration deadline of May 15, 2024.

We do not wish to see anyone miss out on a Woodlands Baptist Camp experience for lack of funds. Since resources are limited, however, we ask that you help us help as many families as possible by considering the following as you make your request:

- 1. Each applicant is responsible to pay his/her \$35.00 registration fee.
- 2. If you are regular attendees of a church, you may wish to inquire if they are able to contribute a portion of the registration fee.
- 3. Grandparents and relatives are additional possible sources of assistance.
- 4. We believe that personal investment helps campers value their experience. Even if the amount is minimal, encourage your camper to make a contribution towards the cost of camp. Even setting aside as little as \$1 per week from now until the start of camp will help your campers feel more vested in the experience.
- 5. In order for your scholarship application to be processed completely, please send the camper registration form along with the registration fee prior to submitting the scholarship application. If for some reason the scholarship is not granted, a **full refund** of the registration fee may be requested.

In order to allow the church representative or teacher confidentiality in answering the questions on the scholarship application please provide them with a preaddressed and stamped envelope to return the Scholarship Application to our office upon completion.

We sincerely hope that you will complete this process. We will process applications in a timely manner. You will receive a letter indicating whether your child(ren) have been awarded scholarship assistance.

If you have any questions regarding the application process, please call the camp office during business hours at (770) 227-5817.
